# An Exclusive Concert Series

The National Festival of the States is an annual concert series developed by Music Celebrations in various cities throughout the United States. These performance tours are supported by local government offices, community organizations, tourist boards, and the like. Such affiliations offer a more memorable musical, cultural and educational experience for recommended ensembles (both instrumental and vocal) to perform in different venues in the most historic cities and celebrate the founding, history, and institutions of the United States! In 2021, the concert series is part of the 80<sup>th</sup> Anniversary commemoration of the Pearl Harbor attack that brought the United States into World War II.

It's no doubt that the Hawaiian culture has left an indelible mark in history. From the skillful, innovative ways of Polynesian sea voyaging to the ancient traditions of the Hawaiian ohana (family), we continuously learn from our ancestors. The Hawaiian language is now being taught throughout Hawai'i schools, and the legacy of the Hawaiian monarchy is still revered today. The revitalization of the Hawaiian culture continues to remind that the past clearly defines the present. There are many ways to connect with both contemporary and historical cultural activities throughout each island.

Music Celebrations International will create for your performance ensemble an unforgettable tour that will introduce you to the music and culture of Hawai'i and its Polynesian roots. Amid the beauty of the Islands is incredible history, from King Kamehameha to the memorials of Pearl Harbor. Imagine your performance group performing at the Pearl Harbor Memorial Visitors Center or at the Polynesian Cultural Center. Perhaps you would enjoy a choral or instrumental workshop at the University of Hawai'i or maybe a visit to a local school for a cultural exchange and concert.

The National Festival of the States can make these possible for your performing ensemble! Participating groups are chosen on the basis of recommendation from state and national music educators, governors' and senators' offices and by audition. Selected groups perform in prestigious venues with maximum audience potential.

Whereas our usual Hawaiian performance tours are on the island of Oahu, we can easily create a customized tour that also includes one or more of the other nearby islands.

Everyone should experience Hawai'i - and your band, orchestra, choir or dance troupe can, through the expertise of Music Celebrations International!

*My group was thrilled with everything. Loved the Scavenger Hunt and Catamaran ride (saw dozens of dolphins), surfing, treasure hunt, and cultural center. We had the best Tour Manager ever! Bea went out of her way to make our trip enjoyable and care-free. Always there and organized. My group loved her and considered her a friend. Very pleased with the sightseeing. I felt we saw a lot and got a good feel for the culture of the island.*
